

Table 3.1a. Checklist for Irrigation System Evaluation (Sample)

Irrigation System Evaluation Checklist				
Location:		Evaluator:		Date:
Owner:		Address:		
Owner Phone #:		Time of day		
Irrigation Zone	#	#	#	#
Pump pressure	psi	psi	psi	psi
Flow meter reading	gal/gpm	gal/gpm	gal/gpm	gal/gpm
Zone pressure	psi	psi	psi	psi
System type: Sprinkler, dripper, spray stake				
Crop type/age				
Container & size /field planting				
Equipment check – Indicate condition: Good, note problem (use a letter to show notes on back)				
Pressure gauge condition				
Valves working				
Leaks at joints or valves				
Nozzle/emitter all functioning?				
Pipe lines ok?				
Moisture sensor				
Crop growth uniformity				
Risers erect				
Ponding?				
Dry areas?				
Rain sensor ok
