TAYLOR INTERNSHIP SCHOLARSHIP

A Gift from Andy & Barbara Taylor

The Taylor Internship Scholarship was made available through an endowment from Andy & Barbara Taylor. You can find out more information about their generous gift to Daniels at: <http://daniels.du.edu/daniels-establishes-taylor-family-undergraduate-center/>

Who Is Eligible?

This scholarship is offered each quarter of the academic year to all Daniels Undergraduate students who have financial need (as determined by FAFSA or CSS profile) and are completing internships, paid or unpaid, for academic credit. Students who meet the eligibility requirements will receive a scholarship to offset the tuition cost of internship credits. Students can review Financial Aid Requirements on the *Student* tab of PioneerWeb.

What Is Required?

- Schedule an appointment with a Career Advisor. Appointments can be made at the *Student* tab of PioneerWeb or by calling 303-871-3911. Start your internship search via Pioneer Careers (www.danielscareers.com).
**International students must sign up for an internship course as part of the CPT process to obtain an internship while on a student visa (<http://www.du.edu/iss/media/documents/forms/cpt.pdf>).*
- Download and complete the Experiential Learning Form, signed by your employer and Faculty Liaison, and submit it to the Registrar:
<http://www.du.edu/registrar/media/documents/experientiallearning.pdf>.
- Complete the academic requirement as detailed by your Faculty Liaison in a timely manner after the completion of the internship experience.

It is our goal that every Daniels undergraduate student will have at least one, if not multiple, meaningful internship experiences during their time at the University of Denver and encourage every eligible student to pursue this opportunity. For eligibility verification or general questions, please contact: Angie Jimenez (angie.jimenez@du.edu or 303.871.3067)
