1. Be able to discuss Roman and Greek value systems. Delineate how they are different.
2. Be able to list similarities and differences between the Genesis creation account and the creation account found in Ovid's *Metamorphoses*.
3. Be able to characterize Manichaeism based on Augustine's *Confessions*.
4. Be able to list similarities and differences between Plato and Augustine when comparing their works, *Apology* and *Confessions*.
5. Be able to discuss the concept of paradox according to Dante's *Inferno*.
6. Be able to interact with the way gods relate with humans throughout any of the Greek plays.
7. Be able to discuss the impact of gender identity in the episode of Iphis and Ianthe for society then and now.
8. Be able to identify the areas of disagreement between Augustine and Pelagius, particularly as they are found in *Confessions*.
9. Be able to list similarities between Confusius' doctrine and the Bible's.
10. Be able to identify and describe the first three teachings in the Bhagavad-Gita.
