One Way Ticket
I am fed up
With Jim Crow laws,
People who are cruel
And afraid,
Who lynch and run,
Who are scared of me
And me of them.
I pick up my life
And take it away
On a one-way ticket
Gone Up North
Gone Out West
Gone!

— Langston Hughes, 1926

Essay Question:
You are going to write an analytical essay that also uses information that you learned in the documents used above. This is called a document-based essay, or a “DBQ”

Combine the information in these documents with the knowledge you learned in the unit to answer the
essay question. Your essay must use both information from the documents AND outside information.

Using the documents above and your knowledge of American life in the Roaring Twenties, choose TWO of the following social developments and analyze their impact on American society.

- Mass Media,
- Consumerism,
- Prohibition,
- Harlem Renaissance,
- Women’s Roles,
- and Conservativism.

Help?
In your analytical essay you need to:

- For each development please summarize, with specific evidence, the changes that transpired as a part of this development.
- Then determine what the long term impact of this development has been on the United States. (For example, how has the mass media changes from the 1920s impacted American life in 2013?)

Do not write in first person in a DBQ.... ever. Do not say “I think that”

Remember, you must cite the documents above and use facts and knowledge you learned from completing the lessons or in online research. Cite your documents above and other sources using MLA format. When using info from the docs, make sure to cite them. (ex- Doc 1)
