## MATH

Hello Parents!

This week in Math we are focusing on *Subtracting Whole Numbers* and *Adding and Subtracting Money*. A study guide will be sent home on Thursday to prepare for our next test on Monday, 9/10. Make sure your child completes and returns it on Friday so we can go over it together in class. Thank you for all that you do!

*Mrs. Cooks*

## SCIENCE

In Science we are concluding our unit on *Weather* and the *Phases of the Moon* this week. We will be starting our new unit about the *Stars, Planets, and the Moon* on Wednesday. We will study different types of telescopes and their uses. Our class will discuss why some stars appear to be larger or brighter than others. Students should come prepared to study the solar system.

*~Ms. Brown*

## SOCIAL STUDIES

This week in Social Studies we will continue on with four *Enduring Understandings: Individuals Groups, & Institutions, Location; Movement & Migration, and Production, Distribution, Consumption*. Homework will be given again on this Thursday, Sept. 9. Please make sure your child completes the homework correctly and returns it on Friday. A TEST will be given on the *Enduring Understandings* on Monday, Sept. 10. Also, the week of Sept. 10, we will begin studying *Unit 2: Forming a New Nation*. A curriculum map/standards was sent home last Wednesday with your child explaining the expectations for this unit. Please contact me if you have any questions or concerns. Thanks for your help! *~Mrs. Woods*
