

# Fourth Grade *All Stars* Weekly Newsletter

~WEEK OF SEPT. 10~14, 2018

## Hello Parents/Guardian.

Welcome back to another week in 4th grade along with your child! We hope you received your child's *Progress Report* on *Friday, Sept. 7*. We ask that you please sign and return the *Progress Report* to your child's teacher. If there are any questions or concerns concerning your child's progress, please contact his/her teacher to schedule a conference. Be on the look out again this week on *Thursday, Sept. 13*, for more graded papers and reports to come home with your child.

Also, please see the flyer being sent home today along with this newsletter "*FREE Saturday Tutorial Program*." Don't miss out on this wonderful opportunity!

~ 4th Grade Teachers

## ELA News

Due to SGM testing, there was no homework assigned last week. This week we will resume the normal schedule and homework was assigned for *Unit 1 week 4*. Students need to be reading 20 minutes every night and completing their *Weekly Reading log*.

Please make sure that you have signed your child's *Progress Report*. Thank you parents for all that you do to help your child succeed.

~ Mrs. Allen

## Math News

Hello Parents! This week in Math we are finishing *Unit 1* and beginning *Unit 2: Multiplying and Dividing Whole Numbers*. We will have a test on *Monday 9/10* on addition and subtraction. To prepare for the next unit, please continue to work with your child on basic multiplication and division facts. If you need information about helpful resources, please contact me. Thank you for all that you do!

~ Mrs. Cooks

goal!

## Science News

This week in Science we will continue our study of the Stars, Planets, and the Moon. We will begin to study each planet in depth so that we can eventually explain the differences between stars and planets. Be on the lookout for graded papers this week in Science.

~ Mrs. Brown

## Social Studies News

We're finishing up this week on *Unit 1, Enduring Understandings*. *Unit 1* test will be given on *Thursday, Sept. 13*. Your child's homework this week will be to review the *Enduring Understandings* and study different scenarios pertaining to these understandings. Thanks for your help!

~ Mrs. Woods
