

Fourth Grade All Stars

Weekly Newsletter

*Week of Sept. 17~21, 2018

Hi Parent/Guardian,

Graded papers were sent home once again on last week. We hope you saw them. Remember to keep their graded papers at home, but please sign and return either their *Parent Signature Sheet* or their *folder*. If you have any questions or concerns concerning your child's progress, please contact your child's teachers.

Report Cards go out on Oct. 18. A *Parent Teacher Conference* must be scheduled to discuss your child's progress in school before report cards will be sent home. Report cards will not be sent home until after we've met for a conference. Look for more information to come home at the beginning of October concerning a scheduled time and date for our *Parent Conference*.

Thanks so much! ~Fourth Grade Teachers

*REMEMBER THE DATE: SEPT. 25 ~ PTO MEETING

ELA NEWS

We are working hard to increase students reading levels. Here are some ways you can help at home:

- Encourage students to read 20 minutes every night and complete the *Weekly Reading Log*.
- Study vocabulary and spelling words.
- Allow students to log in to lexiacore5.com at home and work independently. They may log in using their *PTID#* and the password, *initpass*.
- Should they need my email address, it is allen.amanda.g@muscoogee.k12.ga.us

Thanks so much for your help,

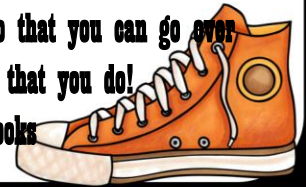

~Mrs. Allen ☺

MATH NEWS

Hello Parents!

This week in Math, we are still working on multiplication, particularly *factors* and *multples*. Please continue to work with your child on their basic multiplication and divison facts. *Test #3* will be given on MONDAY, SEPT. 24. A completed study guide will be sent home on Friday so that you can go over any questions they may have missed. Thank you for all that you do!

~Mrs. Cooks

SCIENCE & SOCIAL STUDIES NEWS

This week in Science, we will continue our unit on the *Stars, Planets, and Moon*. We will focus on the four inner planets this week: *Mercury, Venus, Earth, and Mars*. Once we finish our study of all eight planets, we will have a quiz. ~Ms. Brown

In Social Studies this week, we will begin *Unit 2, Forming a New Nation*. Students are expected to explain the revolutionary movement and how America became an independent country. We will be here for a while as we are required to learn and discuss the causes of the revolutionary movement as well as explain its main events. ~Mrs. Woods
