

Fourth Grade All Stars

*Week of
Oct. 29~Nov. 2, 2018

Weekly Newsletter

Hi Parents/Guardians,

Welcome back to another week! We thank you for coming out last Thursday to support your child at PTO and the school's *Book Fair*. It wouldn't have been a success without you.

Be on the look out today (*Monday*) for your child's graded papers to come home. Please remember to sign/return the *Parent Signature Sheet* or your child's *Graded Papers Folder*. We thank you for all that you do!

~4th grade teachers

ELA NEWS

We will be working on *Unit 2 Week 4* in *Reading Wonders* this week. Please make sure your child is completing their *Weekly Reading Log*. Your child's reading level will increase when they read at least 20 minutes daily. Thank you for all of your support. ~Mrs. Allen ☺

Hello Parents!

This week in Math, we are continuing *division*. Please keep working with your child on their *basic multiplication and division facts*. Math signed papers will be sent home on Monday, so be on the look out for those. Thanks for all that you do!

~Mrs. Cooks

goal!

SCIENCE NEWS

This week in Science, we will begin *Unit 3: Forecasting the Weather*. To begin the unit, we will start by studying the water cycle and the states of water. Thank you for your continued support.

~Ms. Brown

SOCIAL STUDIES NEWS

Hi Parents,

This week in Social Studies, we will be finishing up the *Key Individuals & Groups of the American Revolution*. A test will be given on these *individuals & groups* this week. Look for a study guide to come home this week on *Important People & Groups of the American Revolution*. Thanks for your help!

~Mrs. Woods
