Your Professor

Alana Gates

I have worked in Business Management since the early 80’s and have been fortunate to experience predominantly the retail sector in Australia, New Zealand and the United States. I earned my Business degree, with an emphasis in Human Resource Management. I have worked more than 30 years in sales, management, training and development, always favoring the latter.

I have also been an active licensed Realtor and an educator in California since 2006. As a member of the Association of Realtors, I have served on the education committee and the Professional Standards Committee (Arbitration/Mediation). I also worked as a Real Estate Compliance Manager for a large broker, which involved residential real estate contracts, disclosures and procedures—reviewing and interpreting the implementation of federal and state laws and regulations that impact the Real Estate transactions.

I have created and taught classes for Legal Compliance in Business, Transaction Coordinator, Branding, Marketing and Real Estate/Business information seminars.

I look forward to getting to know you all.

Announcements will be posted on Canvas, check your email frequently, and subscribe to the Canvas Announcements. Students are held responsible for announcements posted on Canvas. Every attempt will be made to avoid changes, but sometimes they are necessary. When changes are necessary, I will attempt to provide as much advance notice as possible.

Policies and Procedures

Academic Honesty Policy Information

Violations of the Academic Honesty Policy, found in the Saddleback College Student Handbook will result in disciplinary action and subject a student to administrative procedures. Please read these policies carefully. Note that any student found cheating on any exam or assignment will receive no credit for that exam or assignment.

Students of Saddleback College are expected to be honest and forth-right in their academic endeavors.

In matters relating to academic honesty violations, the primary responsibility for disciplinary proceedings rests with the instructor and the academic division where the violation allegedly occurred.

Student Conduct

By logging onto the Saddleback College Canvas system with a username and password, I affirm that I am the student who enrolled in this course. Furthermore, I affirm that I understand and agree to follow the regulations/policies regarding academic integrity and the use of student data as described in the Student Code of Conduct that governs student rights and responsibilities. Failure to abide by the regulations/policies may result in disciplinary action up to expulsion from my college.
Drop Policy

It is the student’s responsibility to officially drop/withdraw from courses within the allowable deadlines for refund purposes and to avoid receiving a substandard grade. Students may withdraw from courses online through MySite.

Although it is the student’s responsibility to withdraw from courses, instructors have the authority to drop students who miss the first class meeting.

NOTE: Only student initiated or instructor drops completed prior to the refund deadline are eligible for refund consideration.

Critical

1. Keep up with the work. If this were the business world, a project that arrives late to the client may result in the loss of that client.
2. Be honest, be original, no plagiarism. Always.
3. Active participation in this course is required.
4. If you miss an assignment for any reason without a legitimate excuse, you lose the points for that assignment.
5. Learn about proper time management; don’t delay or postpone your assignments or procrastinate. You can’t afford to be ambivalent about your work – it has your name on it and represents who you are, what it means to your degree, and ultimately, what it means to your career and the company/agency that hires you, and the clients you will help represent. Think about that line of people who will depend on you....
