The Petition of a Grate Number of Blackes of this Province who by
divine permission are held in a state of Slavery within the bowels
of a free and christian Country
Humbly Shewing
That your Petitioners apprehind we have in common with all other
men a naturel right to our freedoms without Being depriv'd of them
by our fellow men as we are a freeborn Pepel and have never
forfeited this Blessing by anye compact or agreement whatever.
But we were unjustly dragged by the cruel hand of power from our
dearest frinds and sum of us stolen from the bosoms of our tender
Parents and from a Populous Pleasant and plentiful country and
Brought hither to be made slaves for Life in a Christian land. Thus
are we deprived of every thing that hath a tendency to make life
even tolerable, the endearing ties of husband and wife we are
strangers to for we are no longer man and wife then our masters or
mestreses thinkes proper marred or onmarred. Our children are
also taken from us by force and sent maney miles from us wear we
seldom or ever see them again there to be made slaves of for Life
which sumtimes is vere short by Reson of Being dragged from
their mothers Breest Thus our Lives are imbittered to us on these accounts By our deplorable situation we are rendered incapable of shewing our obedience to Almighty God how can a slave perform the duties of a husband to a wife or parent to his child How can a husband leave master and work and cleave to his wife How can the wife submit themselves to there husbands in all things. How can the child obey thear parents in all things. There is a grat number of us sencear . . . members of the Church of Christ how can the master and the slave be said to fulfil that command Live in love let Brotherly Love contuner and abound Beare yea onenother Bordenes How can the master be said to Beare my Borden when he Beares me down whith the Have chanes of slavery and operson against my will and how can we fulfill our parte of duty to him whilst in this condition and as we cannot searve our God as we ought whilst in this situation Nither can we reap an equal benefet from the laws of the Land which doth not justifi but condemns Slavery or if there had bin aney Law to hold us in Bondege we are Humbely of the Opinon ther never was aney to inslave our children for life when Born in a free Countrey. We therefor Bage your Excellency and Honours will give this its deu weight and consideration and that you will accordingly cause an act of the legislative to be pessed that we may obtain our Natural right our freedoms and our children be set at lebety at the yeare of Twenty one for whoues sekes more petequeley your Petitioners is in Duty ever to Pray.
