

INTELLECTUAL FREEDOM SELF-CENSORSHIP STATEMENT

Reading is a joy, privilege, and the right of every student. As you select the library books you will read, please understand that every book is not the best choice for every student. If the book you choose is unappealing or offensive to you in any way, please return it and select another. You, the student, know better than the librarians, what reading materials best align with your interests, standards and beliefs.
