Reading Logs Due Every

Monday

Students will be required to read a minimum of 30 minutes a day for at least 5 days, and record the number of pages that they have read each day. A parent's signature is required on the reading log for the form to be valid. This reading log will be taken up every two weeks and will be counted as a homework grade. It is important that students read every night due to the classwork the following day is based on the previous day's reading. Thank you for supporting your child's reading success by monitoring his/her progress.
